**3. General Safety Advice**

Please be aware that by virtue of its mode of operation the Rollingstone will be Restricted in her Ability to Manoeuvre (RAM) as defined under COLREGs (International Regulations for Preventing Collisions at Sea 1972, Rule 3). Masters of vessels are therefore requested to maintain their vessels and gears at a minimum safe distance from the vessel of **500 metres** when it is undertaking work and showing the appropriate shapes and lights in accordance with COLREGs Rule 18. Further updates, final Buoy position and Weekly notice of operations can be accessed in the Moray East Website
