Onshore Representative:	Rushikesh Sapdhare +44 7786405018

1. General Safety Advice

Please be aware that, during the survey activities, by virtue of its mode of operation the vessel (Waterfall) will be Restricted in her Ability to Manoeuvre (RAM) as defined under COLREGs (International Regulations for Preventing Collisions at Sea 1972, Rule 3). Masters of vessels are therefore requested to maintain their vessels and gears at a minimum safe passing distance from the vessel of 500 metres when it is undertaking work and showing the appropriate shapes and lights in accordance with COLREGs Rule 18.

2. Contact details

The following contact can provide more information if required. Please note that specific queries can also be addressed to the relevant vessel or shore based representative.
