3. General Safety Advice

Please be aware that by virtue of their modes of operation, the Shuna and Teal of Wick will be Restricted in their Ability to Manoeuvre (RAM) as defined under COLREGs (International Regulations for Preventing Collisions at Sea 1972, Rule 3). Masters of vessels are therefore requested to maintain their vessels and gears at a minimum safe distance from these vessels of 500 metres when it is undertaking work and showing the appropriate shapes and lights in accordance with COLREGs Rule 18.
