

NOTICE TO MARINERS

Issue date: 11/09/2020

1. Inter Array Cable Installation Operations.

Please be advised that Moray Offshore Windfarm (East) Limited (Moray East) are planning to carry out Inter Array cable installation works within the bounds of site 1 (see Figure 1 and Table 1). The cable pull ins and free lay of inter array cable between WTG's will be carried out by the Living stone vessel along with WROV surveys once cable is installed. The Living stone will be supported by Grand Canyon She will be operating a walk to work system for personnel access to the WTG locations and transferring equipment to assist the cable pull ins. Both vessels will be supported by the Crew Transfer vessel World Scirocco, that will assist in personnel transfers to WTGs and carrying out crew changes for both vessels. The overall work scope will be carried out in 3 campaigns, the first campaign commencing circa the 24th of September 2020 and is expected to last 8 weeks. The following campaign commencement dates will be advised through further NtMs and in the Weekly Notice of Operations.

3. General Safety Advice

Please be aware that by virtue of its mode of operation the Living stone and Grand Canyon will be Restricted in their Ability to Manoeuvre (RAM) as defined under COLREGs (International Regulations for Preventing Collisions at Sea 1972, Rule 3). Masters of vessels are therefore requested to maintain their vessels and gears at a minimum safe passing distance from the vessel of **500 metres** when it is undertaking work and showing the appropriate shapes and lights in accordance with COLREGs Rule 18.
